# About the Officer Assistance Fund

The Officer Assistance Fund (OAF) is a community based non-profit that financially assists police officers that have been injured or killed in the line of duty.

Besides helping families with immediate financial needs, the OAF sponsors a yearly

**Blue Santa** event, where officers and a **Blue Santa** visit the family of a fallen officer in efforts to provide added holiday cheer. **Blue Santa** arrives with gifts for the whole family.

The annual golf tournament is one way the OAF raises money for the fund. "Tip a Cop" events are done throughout the year at local restaurants. Cops donate their time to become waiters and hosts for patrons.

Donations for the fund are also accepted all year long through any Wells Fargo Branch or can always be sent to us at:

**Mesa, AZ 85201**
